

Accessibility Statement

AltaLumé Medical

Effective Date: 1/25/2026

AltaLumé Medical is committed to ensuring digital accessibility for all users, including individuals with disabilities. We are continually working to improve the accessibility and usability of our website to ensure that everyone has equal access to our services and information.

Our Commitment to Accessibility

We strive to make our website accessible and user-friendly for all visitors, regardless of ability or technology used. Our goal is to follow generally recognized accessibility standards, including the **Web Content Accessibility Guidelines (WCAG) 2.1 Level AA**, where reasonably possible.

Accessibility Features

Our website is designed to support accessibility by:

- Providing clear navigation and consistent layout
- Using readable fonts and sufficient color contrast
- Supporting keyboard navigation
- Including alternative text for images where appropriate
- Ensuring forms are accessible and clearly labeled
- Supporting screen readers and assistive technologies

We regularly review our website to identify and address accessibility barriers.

Ongoing Improvements

Accessibility is an ongoing effort. We are continuously working to enhance the accessibility of our website as technologies and standards evolve.

If you encounter any difficulty accessing content or functionality, we want to hear from you so we can address the issue promptly.

Alternative Access to Services

If you are unable to access any part of our website, please contact us directly, and we will be happy to assist you with:

- Scheduling appointments
- Accessing forms or information
- Answering questions about our services

We are committed to providing reasonable accommodations as required by law.
